ABOUT US

Hello IVR is One of the Best IVR Solutions Provider in Odisha, Bhubaneswar, India and Brand Service of **Samaresh Web Solutions Pvt Ltd.**

It enables you to effectively track, retain and push leads or enquiries through a pre-defined route.

Hello IVR Significantly increases first contact resolutions and customer services efficiency. We Can Provide you IVR Number of any state within INDIA or any other Country in the World at most affordable rates.

Our IVR (Interacting Voice Response) systems have been installed in numerous BPOs, Small, Medium & Large companies, Educational institutes, Construction Companies, etc.

IVR acts as a reception hosted virtually in a cloud telephony environment. We provide a 10 Digit mobile number or a landline number, on which the customers can call 24×7.

The customers are greeted with a customised message as per your requirements and can select the extension pre-defined by you to speak with the concerned team member or leave a voice mail.

At a low price, you can project the image of a professional company and would never have to worry about losing important leads.

Please find herewith business proposal for IVR
